

COMPANY PROFILE

Welcome to CASTELLO KITCHEN EQUIPMENT L.L.C

Castello Kitchen Equipment LLC is a pioneering company that designs, manufactures, installs and maintains kitchen equipment for discerning hotels, restaurants, coffee shops, fast food chains, palaces, hospitals, cafeterias and bakeries.

Dear partners and customers,

Choosing CASTELLO is the choice of quality on the long run! We are dedicated for quality to always meet and exceed your expectations. We are agents of leader companies in Europe

We are able to provide any of the leading brands you wish to have. We are as well specialized in custom-made stainless-steel kitchens.

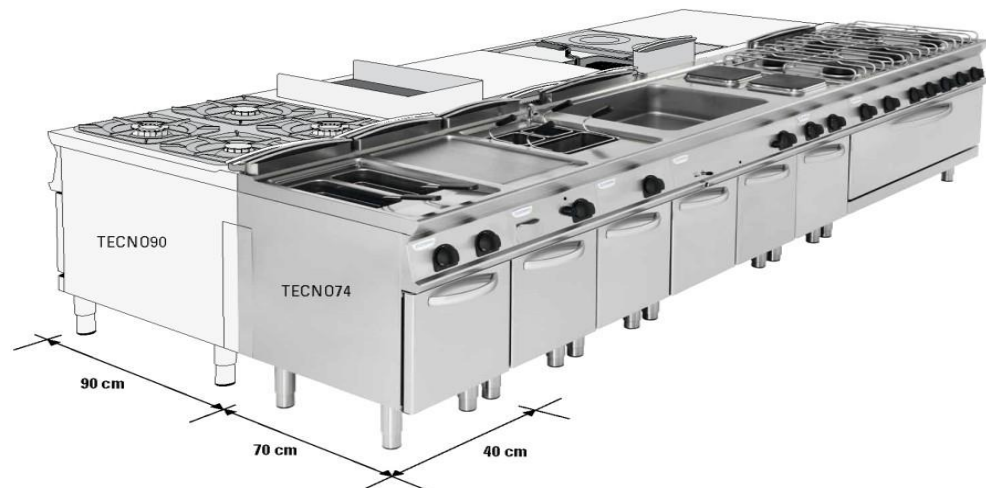

We are confident to be your solution provider of choice for your major projects and to ensure you quality service for every project, every day, every time! Our teams are amongst the best in the industry. We provide you with professional and trained workforce who understand your needs and realize the job timely and effectively.

Moreover, we make sure to always be ahead and introduce the latest innovations in our sector to always serve you better and give you the high standard of service that you deserve.

Your trust and loyalty are the key factor in our success

We are sure that our new clients will also appreciate our work and dedication and will recommend us like you do.

Yours Truly,

TECN074 E TECN090 IN COMPOSIZIONE AD ISOLA
TECN074 AND TECN090 AS ISLAND

Mission & Vision

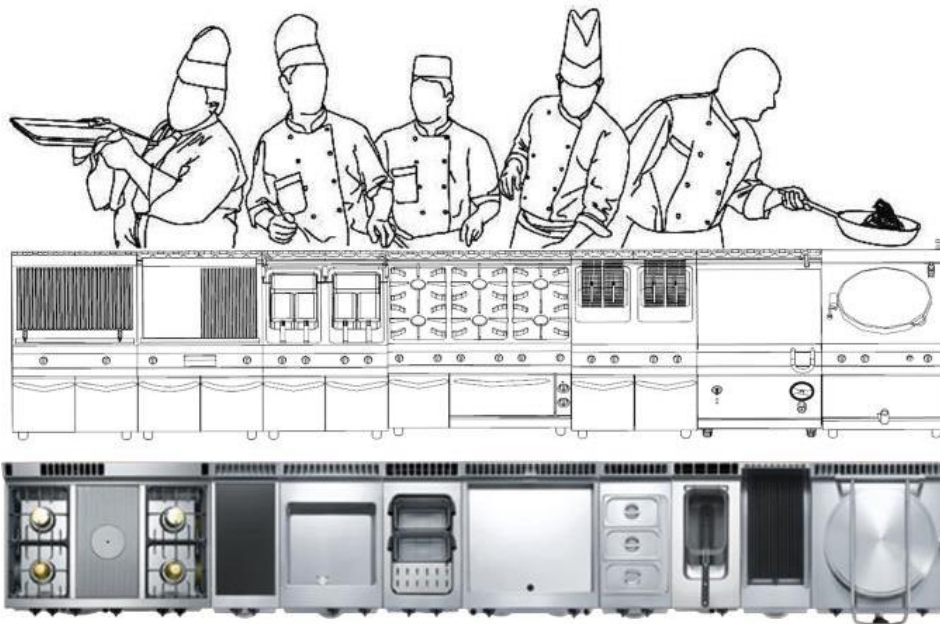

Our mission

To provide quality service for every project, every day, every time! We study your needs, design the customized solutions, provide and install the best equipment, train your staff and ensure the continuity and quality of your operations with a quick and effective service, accessories and spare parts supply.

Our vision

To lead the market by continuous innovation and promote excellence in the kitchen sector

To sum up the intent of our vision and mission statements is relatively easy to do - Customers for Life. And to achieve this it must listen to them, anticipate their needs, and act to create value for their very specific and individual requirements.

Quality

Quality is the milestone of our Company. It is reflected in the project we have completed and after sales service we provide. Quality is evident from the fact we are the concessionary agent of Leader Companies in Europe as Angelo PO, Terma Line (Industrial Kitchen), Electrolux Wascator (Industrial Laundry Equipment); Scotsman (ice-makers); Dito Sama (auxiliary machines& kitchen accessories); Rational Rieber (food transport systems) Technoblock (condensing unit), and in special our custom made stainless steel.

QUALITY is infused into everything we do. It is reflected in the projects we have completed and the after sales service we provide. Quality is given the preference is evident from the fact

This commitment to quality is continuously demonstrated in our high percentage of repeated business.
